Visual Arts Project Manager | Curriculum Development Specialist

+966545022505 | www.hanijadwi.com | h.jadwi@gmail.com | [linkedin.com/in/hani-jadwi](https://www.linkedin.com/in/hani-jadwi) | Yanbu, Saudi Arabia

Professional Summary

Art Education specialist with extensive experience in art education, curriculum development and evaluation, cultural and student activities, visual arts, training supervision, and quality monitoring, combined with executive leadership, business development, and operational management experience. Experienced in teaching Art Education across elementary, middle, and secondary school levels, contributing to curriculum development, and holding leadership positions in arts associations and cultural committees. Also experienced in co-founding and leading a business specializing in photography services and solutions, with responsibilities covering strategic planning, operational and administrative process development, international contracting, recruitment, procurement, product development, and executive decision-making. Current postgraduate studies in Artificial Intelligence further support an interest in educational development, digital content, and the integration of creative technologies and visual arts into education. This combined background supports roles in Visual Arts Project Management and Curriculum Development.
